

Youth For Christ Romania

YFC Romania works in Romania to help young people aged 5 to 25 in their personal, educational, social and spiritual development by offering free weekly activities (children's clubs, tutoring, youth groups, sport, music) and annual events (weekends and camps.)

Matthew 25v35-36

For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.

Presentation

Youth For Christ Romania runs weekly activities in 7 cities in Romania.

- Among the Roma population in the Baraolt region.

Some numbers

25 : number of team members in the association. (not counting the dozens of volunteers and staff who help during the summer).

300 : number of young people who take advantage of the weekly activities. Nothing is required to participate in these activities other than parental consent.

1500 : number of young people who participate in at least one YFC Romania activity over a year.

2021- highlights

Poarta Oilor YFC Romania became the owner of this complex located in the middle of Romania by signing the final contract. YFC Romania has until 2025 to finalize payments.

2 minibuses For years, local areas have needed minibuses for their weekly activities. 1 Minibus was donated free of charge by the French association "Les Trombinoznotes" while another was purchased second-hand.

2 new bases YFC Romania has started to develop weekly activities in 2 new regions: Brasov and Zalau.

15 camps this is the highlight of the year for hundreds of young people. This year, YFC Romania organized 15 camps for a total of 1200 young people.

Covid While our 2021 activities have not been too affected by the Covid crisis, our finances have been. Indeed, YFC Romania lives 90% from donations. A large portion of these donations are raised on presentation trips which were all canceled in 2021. We thank donors from previous years who have remained steadfast in their support.

Few dates

June 1997 : birth of YFC Romania. YFC Romania is part of Youth For Christ International (<https://yfc.org/>) which is active in over 100 countries around the world.

2022- Several needs

YFC Romania is supported by a network of 200 regular donors. These donations cover the basic costs, but we are dependent on additional donations to fully realize our 2022 projects. Here are some needs:

€ 15,000: Help for summer camps

We welcome children from 3 different social categories in our camps. Children whose parents can pay the real price of the camps. Children of families who can afford to pay part of the actual costs of the camps. Children from families who cannot afford these camps.

We are asking for help for the last 2 categories of children.

15 € = 1 day of camp for 1 child / 75 € = 1 camp of 5 days for 1 child

€ 10,000: Help for weekly activities

Weekly activities are done with very little means. However, we have to rent 3 premises (3x300 € / month) and would like to invest in youth equipment (ping-pong tables, table football, etc.)

€ 10,000: Social assistance

We often meet basic needs in the populations with which we work and we like being able to respond quickly to certain specific needs that arise to us (bed, clothes, heating, etc.)

€ 10,000: Help with salaries

The team members who work with us are people who are passionate about their work and experience it as a call. However, we would like to better surround them in their salaries which are not up to their work.

5,000 €: Administrative costs

Like every association, YFC Romania has its administrative costs (accounting, team meeting, office costs...) that we have to cover.

In addition to the current needs of the association, YFC Romania is in the process of purchasing a center in the middle of Romania: Poarta Oilor. The payment of this center which is made over 5 years is the attention of a specific fundraising. Contact us for more informations.
